

Warfighter Cognition Test Online Login and Registration

Quick Reference Guide

The purpose for this guide is to walk Military Service Members step-by-step through the iAS and OTP registration process.

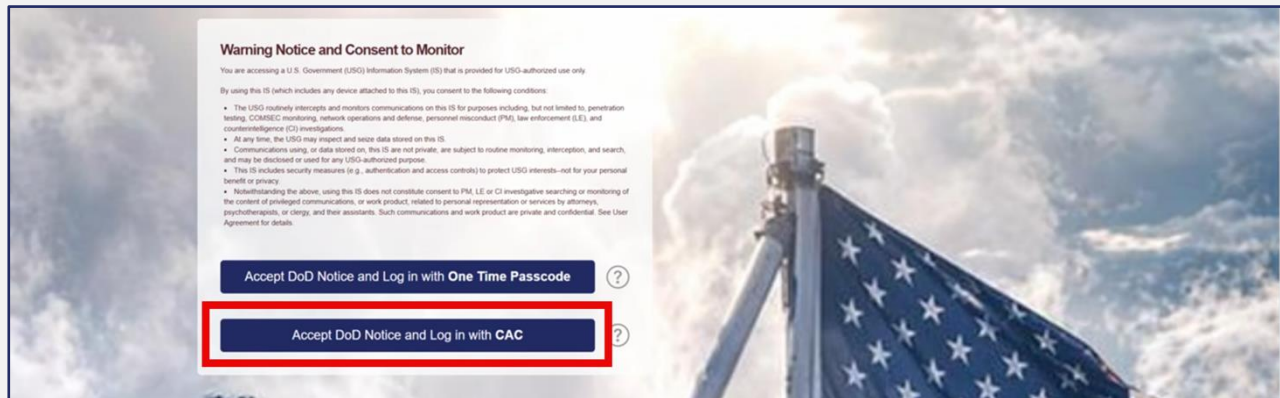

This guide is broken down into four sections:

1. [Logging in with Your CAC](#)
 2. [First-Time OTP Registration \(If you don't have your CAC\)](#)
 3. [Logging in with a One Time Passcode](#)
 4. [Self-Service: Forgot Password, Forgot Username, Reactivate Account, Update My Account](#)
-

1 Logging in with your CAC

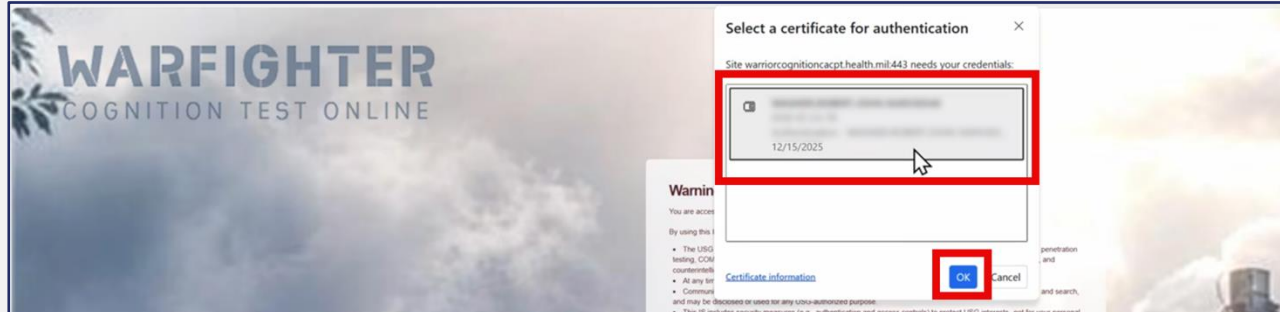

To begin, visit: <https://warriorcognition.health.mil>

1. Select the **Accept DoD Notice and Log in with CAC** option from the window

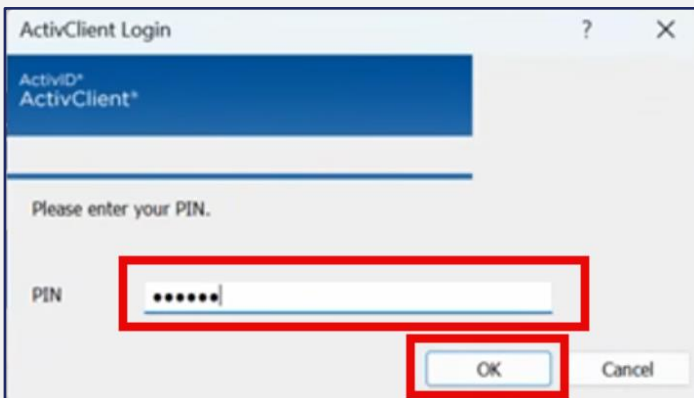

NOTE: The CAC option will only appear when you are using a desktop computer.

2. Select your certificate for authentication. Click **Ok**.

3. Enter your **PIN**. Click **Ok**.

4. **(Optional)** Create and confirm your password. Enter your phone number. Click **Continue**.

One Time Passcode Registration

Please provide the information below to configure **OTP authentication** for your account

Passwords must be at least 10 characters and contain a minimum of 1 uppercase letter, 1 lowercase letter, 1 number, and 1 special character. Your password can not be the same as any of your previous 5 passwords

*** Required Fields**

By providing your mobile phone number, you agree to receive text messages

Continue

Skip

NOTE: Your password must be at least 10 characters and contain a minimum of 1 uppercase letter, 1 lowercase letter, 1 number, and 1 special character.

5. Choose either **Text OTP** or **Email OTP** to receive your one-time passcode.

One Time Passcode Registration

Select how your one time passcode will be sent to you

Text OTP

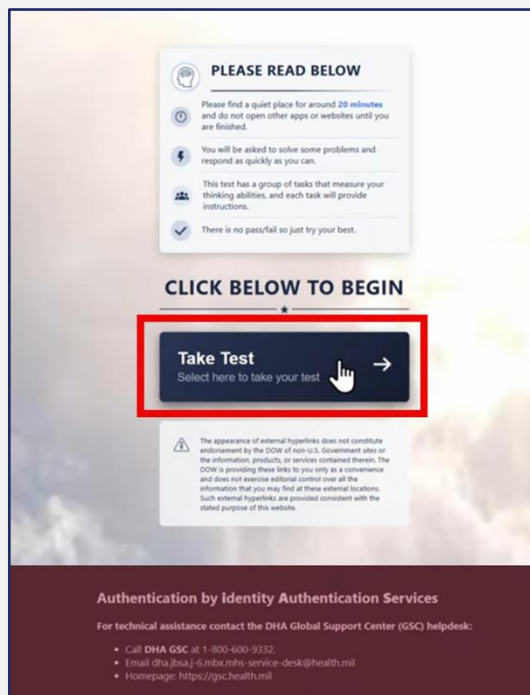

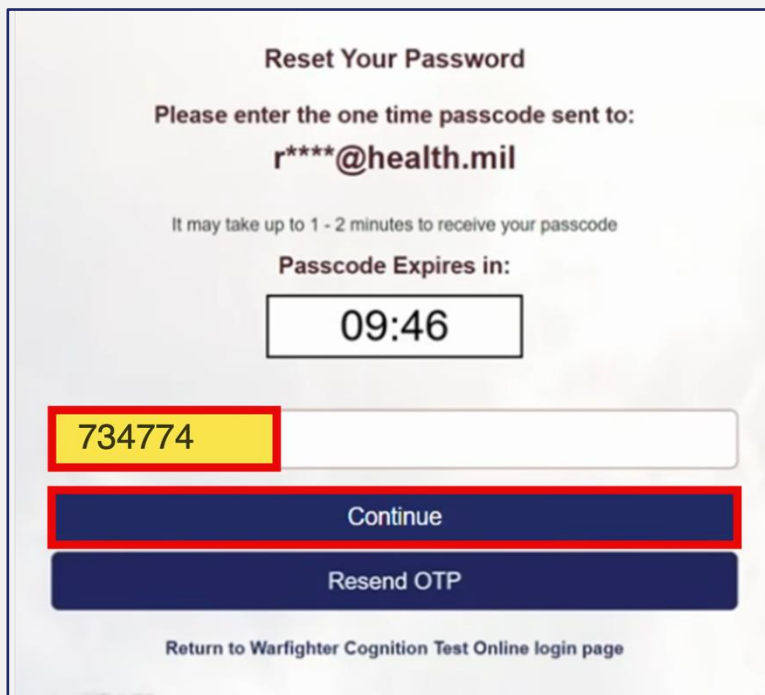

Email OTP

6. Your passcode will be sent to the method you chose within 1 -2 minutes.

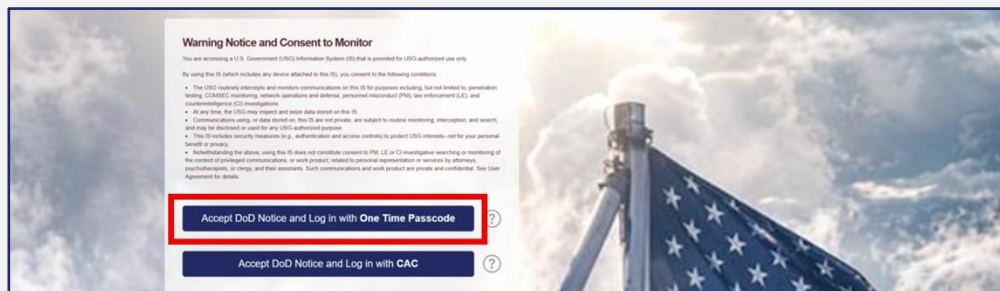

7. Enter the one time passcode sent to you. Click **Continue**.
Once successful, you will be logged in and can access your test.

Note: Clicking **Take Test** will log you in and open a new browser tab.

2 First-Time OTP Registration (If you don't have your CAC)

For first-time OTP Registration, select the **Accept DoD Notice and Log in with One Time Passcode** option.

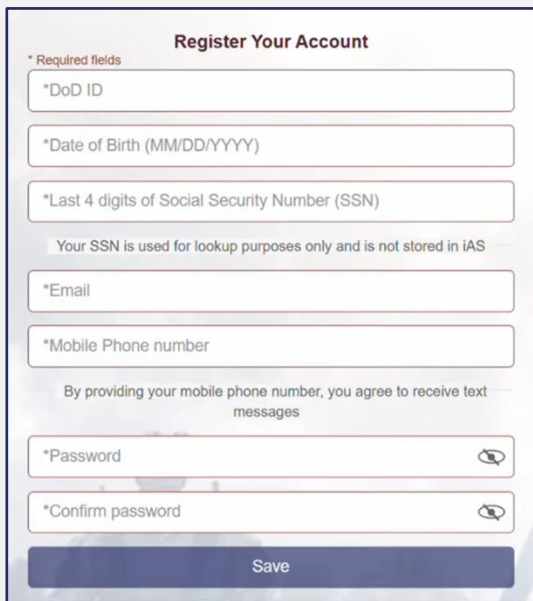

If you don't have your CAC and you've never registered for OTP access, click **New to OTP? Register Now** from the login page to register your OTP account information.

Follow the steps to create your OTP account

1. Complete the information in the **Register Your Account** form

A screenshot of the "Register Your Account" form. The form has a title "Register Your Account" and a section for "Required fields". The fields are: "DoD ID", "Date of Birth (MM/DD/YYYY)", "Last 4 digits of Social Security Number (SSN)", "Email", "Mobile Phone number", "Password", and "Confirm password". There is a note below the SSN field: "Your SSN is used for lookup purposes only and is not stored in iAS". Below the mobile phone number field, there is a note: "By providing your mobile phone number, you agree to receive text messages". At the bottom of the form is a "Save" button.

2. Choose the method for a one time passcode to register your OTP account.

9:44 AM

Your one time passcode for registering with Warfighter Cognition Test Online is **111958**

Register Your Account

Please enter the one time passcode sent to:

r**@health.mil**

It may take up to 1 - 2 minutes to receive your passcode

Passcode Expires in:

08:39

111958

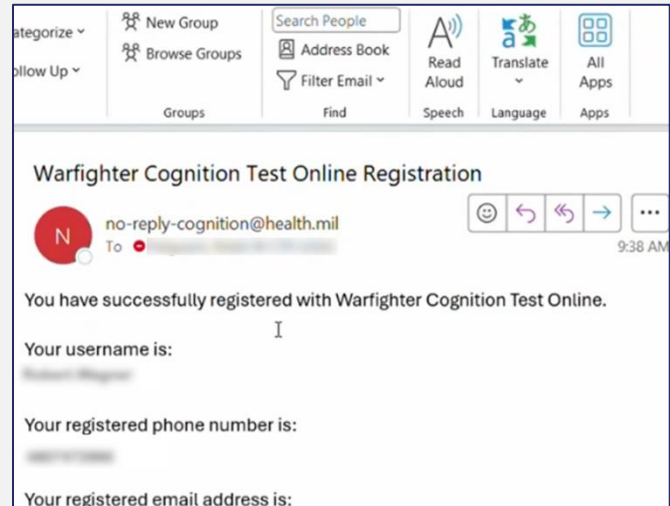

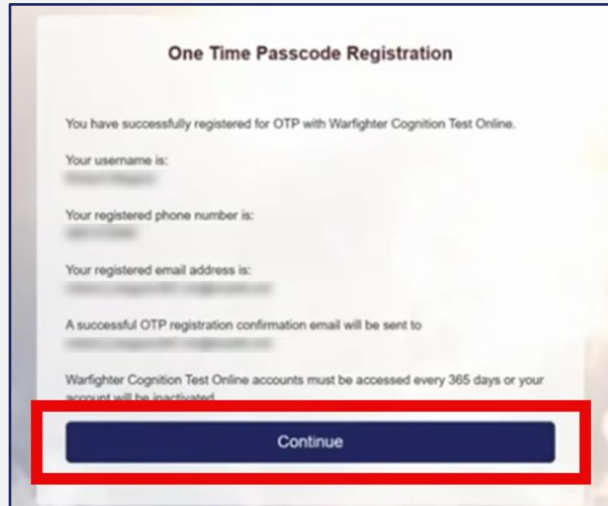

Continue

Resend OTP

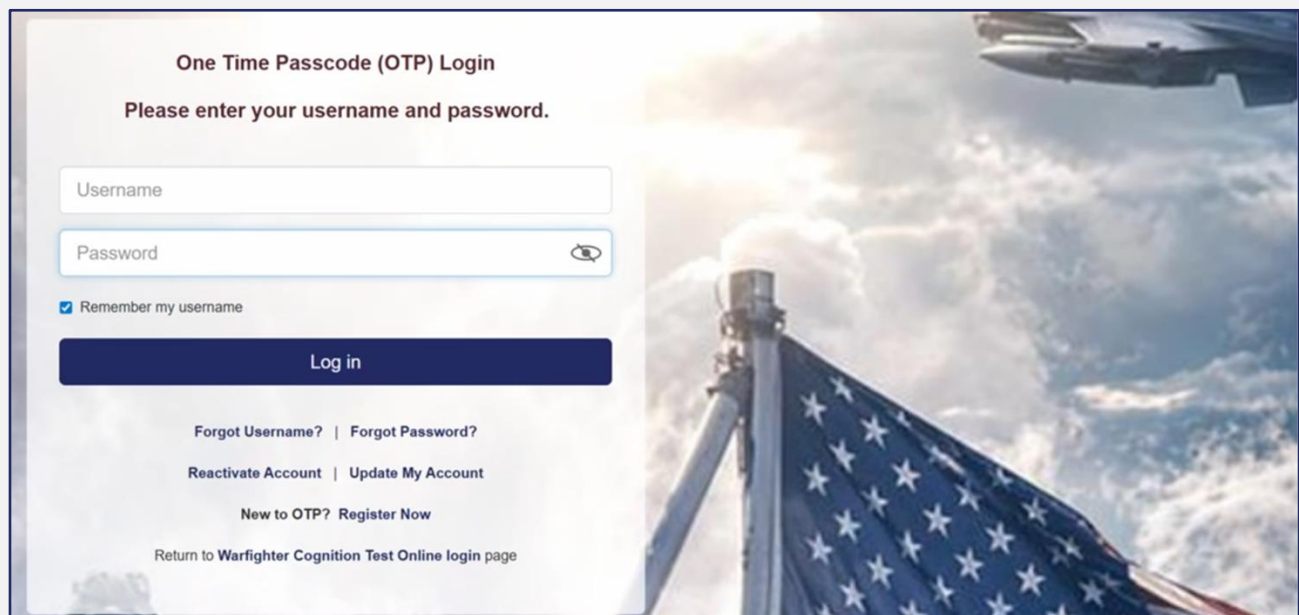

- Once verified, you will see a success screen with your OTP account registration information. A copy will be sent to the email you registered during the registration process.

To return to the login page, click **Continue**.

- Clicking **Continue** will bring you back to the login page.

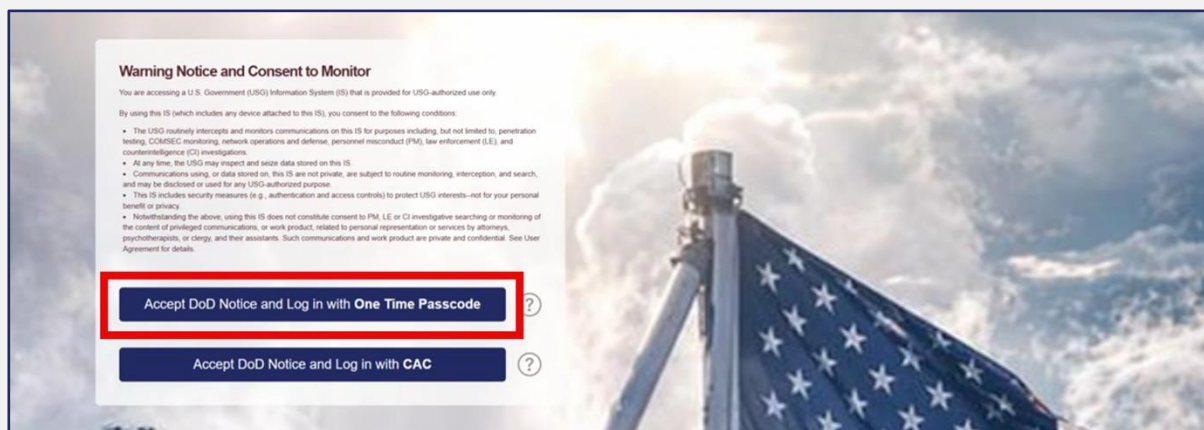

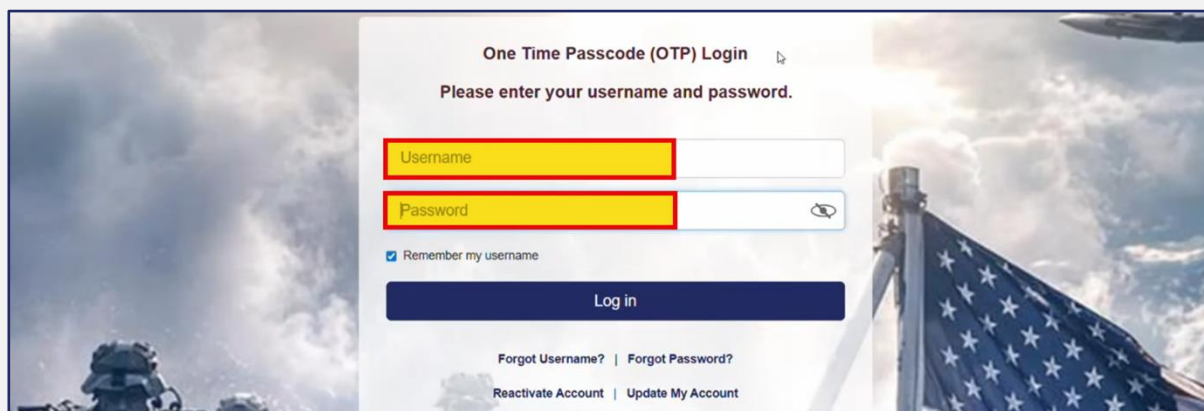

3 Logging in with a One Time Passcode

To begin, visit: <https://warriorcognition.health.mil>

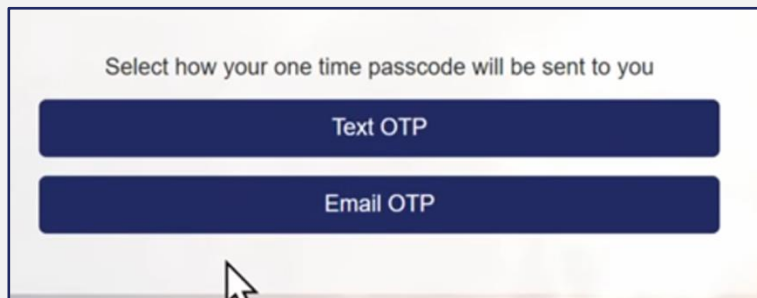

1. Select the **Accept DoD Notice and Log in with One Time Passcode** option from the window.

2. Enter your **Username** and **Password**. Click **Log in**.

3. Choose the method you want to receive for your OTP.

- You'll receive a window to enter your one time passcode sent to the selection you chose.

The screenshot shows the 'One Time Passcode Login' interface. It features a central white box with a blue border. The text inside reads: 'One Time Passcode Login', 'Please enter the one time passcode sent to: r****@health.mil', 'It may take up to 1 - 2 minutes to receive your passcode', 'Passcode Expires in: 09:42', and a text input field labeled 'One Time Passcode'. A blue 'Continue' button is at the bottom. The background is a composite image of a soldier in the foreground and an American flag waving in the wind.

Note: Keep in mind that there is a time limit to enter in the OTP sent to you.

- Copy the passcode sent to you to enter into the **One Time Passcode** login window.

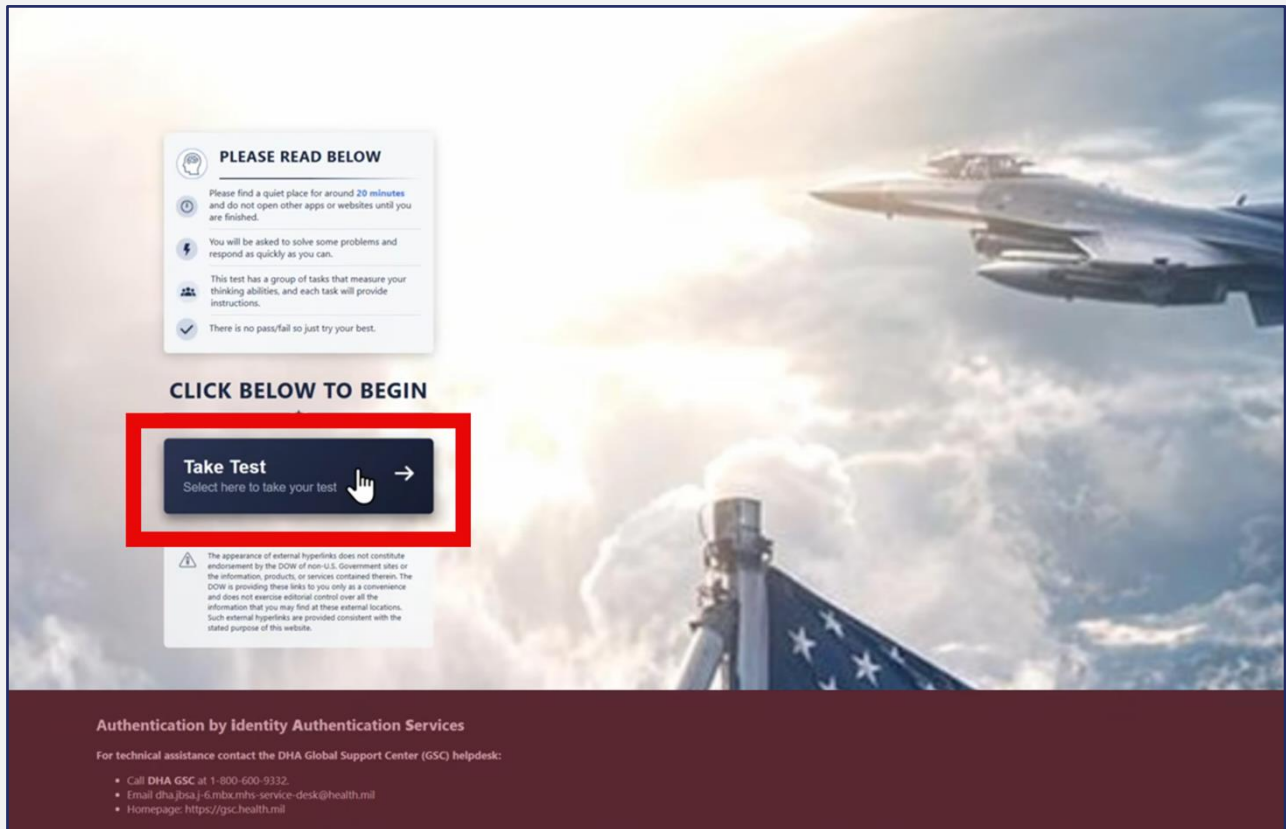

The screenshot shows an email from 'no-reply-cognition@health.mil' with the subject 'Warfighter Cognition Test Online One Time Passcode'. The email body states: 'Your one time passcode for authenticating with Warfighter Cognition Test Online is 708750'. The passcode '708750' is highlighted with a red box.

- Enter or paste the passcode into the **One Time Passcode Login** text box. Click **Continue**.

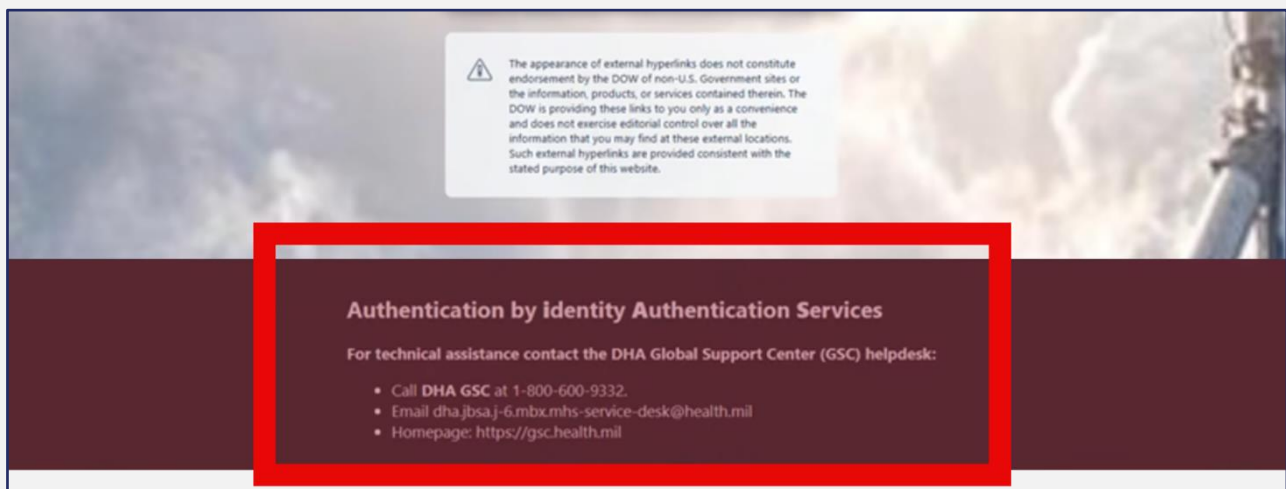

The screenshot shows the 'One Time Passcode Login' interface, similar to the first one. The 'Passcode Expires in' timer now shows '09:23'. The 'One Time Passcode' input field now contains the text '708750', which is highlighted with a red box. The blue 'Continue' button at the bottom is also highlighted with a red box.

4. You will be logged in to the test site where you can access your test by clicking **Take Test**.

NOTE: If you need help, the DHA Global Support Center (GSC) contact information is listed at the bottom of the screen.

4 Self-Service

Forgot Username, Forgot Password, Reactivate Account, and Update My Account

Forgot Username

NOTE: Your password must be at least 10 characters and contain a minimum of 1 uppercase letter, 1 lowercase letter, 1 number, and 1 special character.

Reactivate Your Account

Military Service Members can reactivate their own account by authenticating through their CAC. Accounts get deactivated if service members have gone 365 days without logging in.

Note: If you log in with your CAC, you will automatically be reactivated.

1. Click on **Reactivate Account** from the login window.

The screenshot shows the 'One Time Passcode (OTP) Login' page. It has a white background with a blue border. The title 'One Time Passcode (OTP) Login' is at the top. Below it is the instruction 'Please enter your username and password.' There are two input fields: 'Username' and 'Password'. Below the 'Password' field is a checkbox labeled 'Remember my username' which is checked. A blue 'Log in' button is below the checkbox. Below the button are links: 'Forgot Username?' | 'Forgot Password?'. Below these links are two buttons: 'Reactivate Account' (highlighted with a red box) and 'Update My Account'. Below these buttons is a link 'New to OTP? Register Now'. At the bottom is a link 'Return to Warfighter Cognition Test Online login page'. The background of the page shows a soldier in camouflage gear and an American flag.

2. Choose the method you would like to receive your one time passcode.

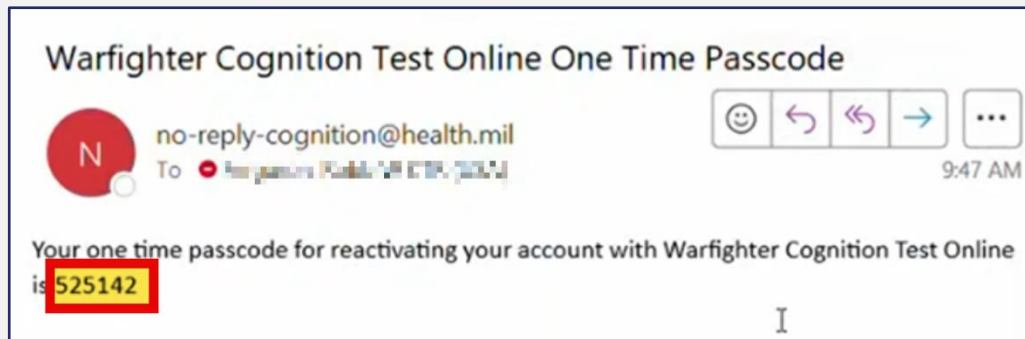

The screenshot shows the 'Account Reactivation' page. It has a white background with a blue border. The title 'Account Reactivation' is at the top. Below it is the instruction 'Select how your one time passcode will be sent to you'. There are two buttons: 'Text OTP' and 'Email OTP'. The 'Email OTP' button is highlighted with a red box. The background of the page shows a soldier in camouflage gear and an American flag.

3. Enter your **Username** or **Email Address**. Click **Submit**.

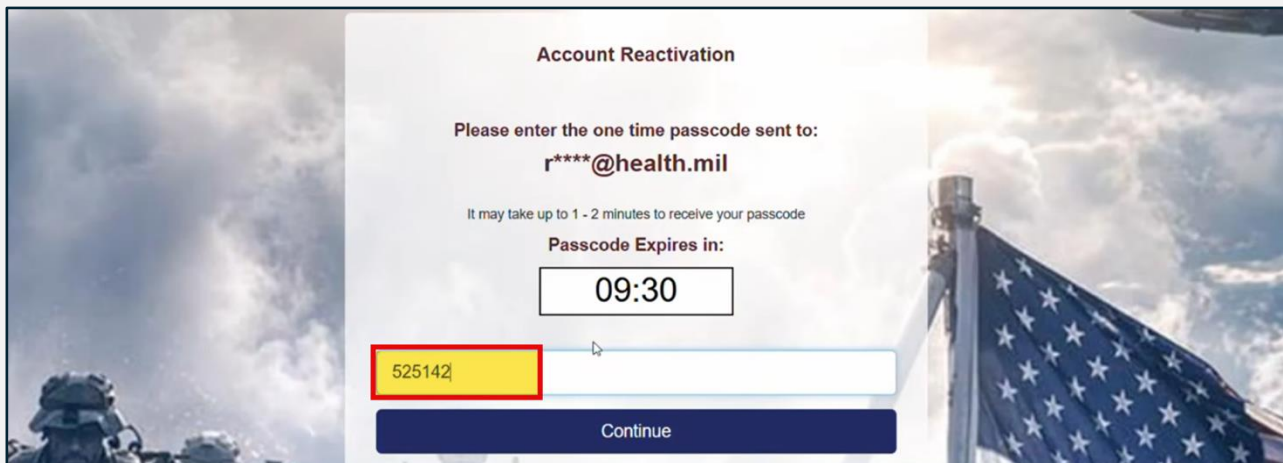

The screenshot shows the 'Account Reactivation' page. It has a white background with a blue border. The title 'Account Reactivation' is at the top. Below it is the instruction 'Please enter your username or email address below and click Submit.' There is a text input field labeled 'Username or Email Address' which is highlighted with a red box. Below the input field is a blue 'Submit' button. Below the button are links: 'Forgot Username?' | 'Forgot Password?'. Below these links are two buttons: 'Reactivate Account' and 'Update My Account'. At the bottom is a link 'Return to Warfighter Cognition Test Online login page'. The background of the page shows a soldier in camouflage gear and an American flag.

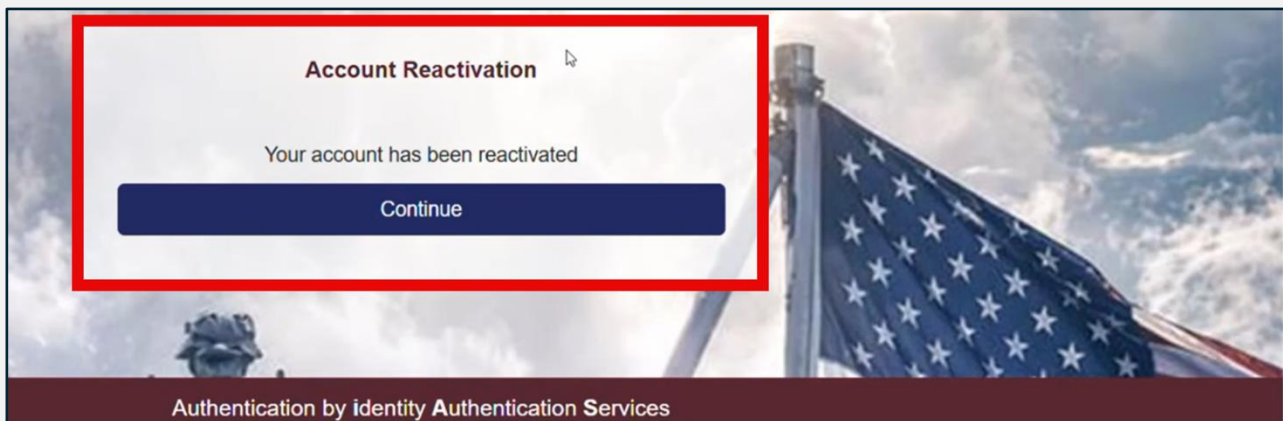

4. Check your phone or your email to retrieve your one time passcode that was sent.

5. Enter the one time passcode into the **Account Reactivation** window text box. Click **Continue**.

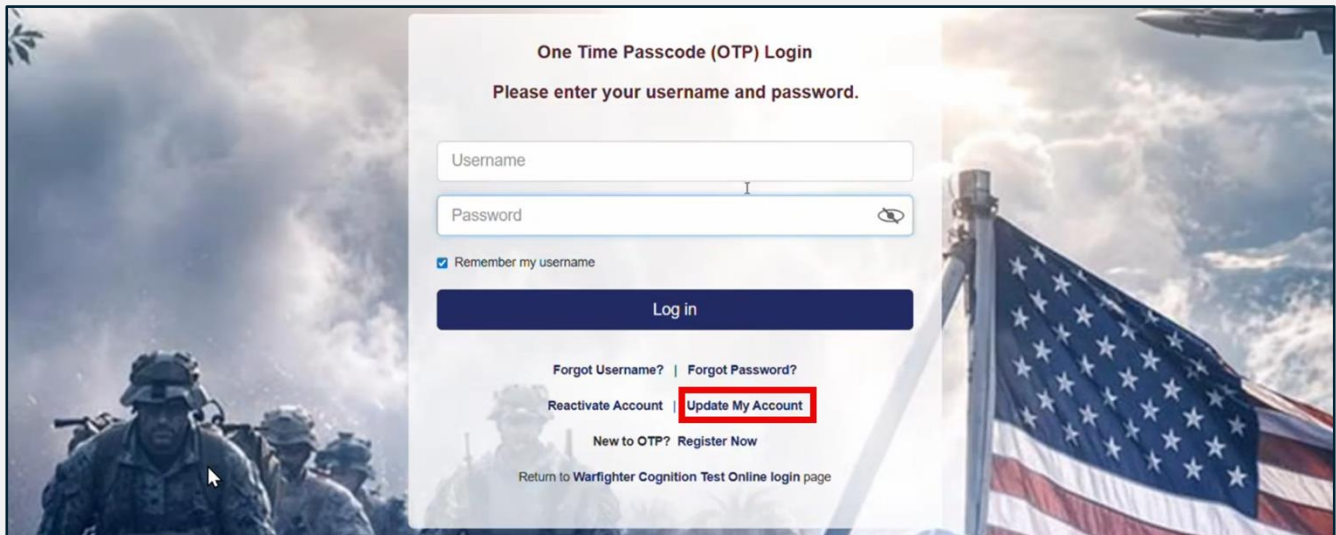

6. Confirmation message that your account was reactivated. Click **Continue**.

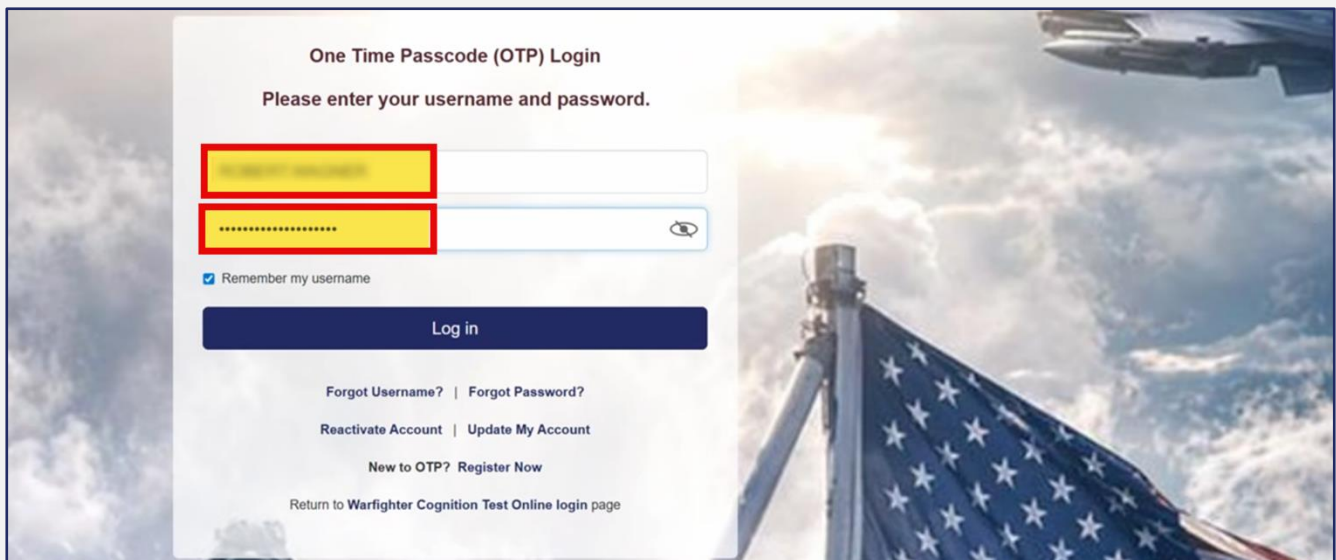

Update My Account

Military Service Members have the ability to update their account directly from the login page.

1. Click on **Update My Account** from the login window.

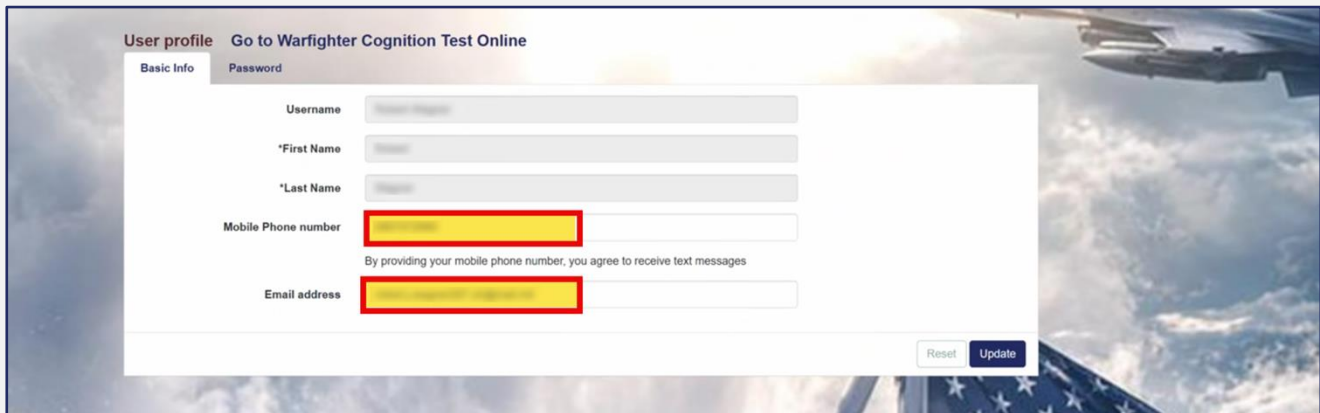

2. Enter your **Username** and **Password**. Click **Log in**.

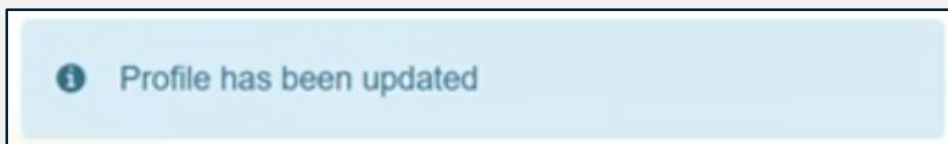

3. You have the ability to update your **Mobile Phone number** and **Email address**.

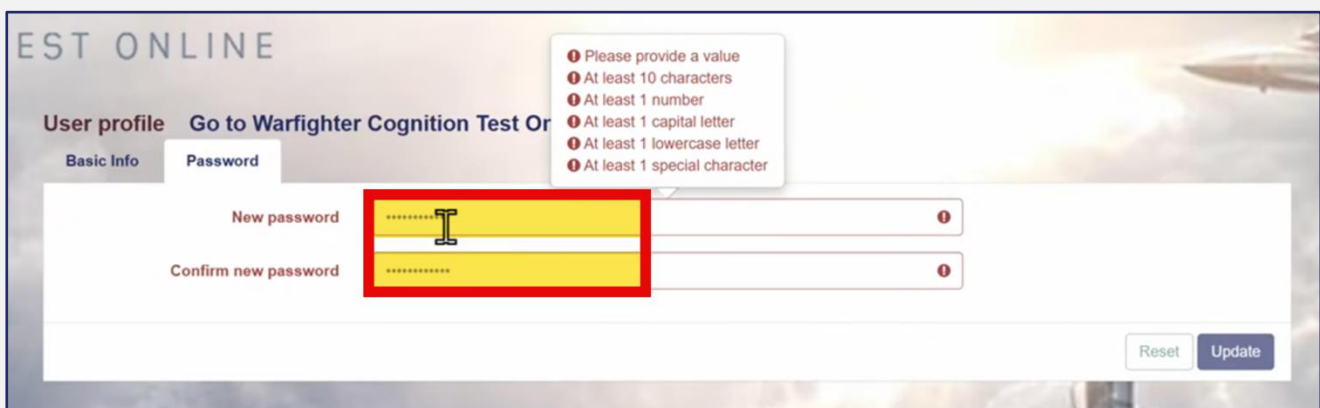

When you're finished making updates, click **Update**.

4. Once the update completes, you will receive a success toast message at the top of the screen indicating that your profile has been updated.

5. You may also update your password from the **Password** tab. Once you create your new password, click **Sumit** to update your login password.

NOTE: Your password must be at least 10 characters and contain a minimum of 1 uppercase letter, 1 lowercase letter, 1 number, and 1 special character.
